Docket No. MC2021-104

**MOTION OF THE UNITED STATES POSTAL SERVICE FOR LEAVE
TO RESPOND TO COMMENTS**
(July 8, 2021)

Order No. 5926 (June 24, 2021) established the procedural schedule in this proceeding and, while setting the date for initial comments at May 14, made no provision for reply comments. Pursuant to Order No. 5926, four sets of initial comments were filed on June 6, and those were submitted by the Public Representative, the Association for Postal Commerce (PostCom), the National Postal Policy Council (NPPC), and a joint comment was submitted by the Envelope Manufacturers Association (EMA) and the Greeting Card Association (GCA). All four sets of comments raise questions on at least one aspect of the presorted postcard dimension change. The Postal Service requests leave to respond to clarify the record on those points.

Acceptance of the Postal Service's response would enhance the Commission's ability to evaluate the questions raised in the initial comments, and thus create a more complete record for consideration of this docket. The Postal Service's response is proffered in a separate pleading submitted concurrently.

Wherefore, the Postal Service respectfully requests leave to respond to the initial comments filed in the proceeding.

Respectfully submitted,
UNITED STATES POSTAL SERVICE
